KARTING

2020

**SUPERIOR
QUALITY
SUPERIOR
PRICE**

Welcome to WUXI TONGBAO!

WUXI TONGBAO , a professional manufacturer and exporter focused on the design, development and production of all kart parts.

All of our products complying with international quality standards are greatly appreciated in a variety of kart markets all over the world. "Where is the go karts, where is our parts" is not only our purpose but also our way.

Motto

Various

- over 200 different kinds of products
- keep steady increasing trend in amount of parts

Speedy

- A perfect production system
- Cooperate with most couriers
- Enough stock with main products

Excellent

- Top material and best technology
- Complete test procedures
- Strong commodity Package

Sensible

- Reasonable price
- Thoughtful after-sales service
